EDUCATION

Pembroke Hill Class of 2026, Kansas City

Currently I attend Pembroke Hill an independent college prep school in Kansas City, Missouri. My next step in golf and my education is to play at the collegiate level. I have loved the game of golf since before the age of 10 and would like to continue being a student athlete. The next step is to use college golf as a means of a receiving a better education whilst continuing to do what I love.
